

## Shining Star Workshop From Simply Quilts!

Learn to make the great wall quilt that Debbie demonstrated on Simply Quilts. This is a good way to learn the No Diamonds/No "Y" Seams technique in a fun one day workshop. Uses five fat quarters for the center star. Half square triangle units are sewn into sections and the sections then sewn to form the center of the quilt. Finishes at 40" x 40", a great lap quilt or wallhanging.

### Supply list for Shining Star Workshop

5 Fat Quarters for the star

$\frac{3}{4}$  yard - Background

$\frac{1}{4}$  yard -First Border

$\frac{1}{2}$  yard -Outside Border
